www.sharecorp.com**

Wash thoroughly after handling. Wear eye protection, protective clothing, protective gloves.

If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/attention.

Disposal: Offer empty container for recycling. If recycling is not available, discard container in trash.

For industrial and commercial use only.

For additional information, see Safety Data Sheet

WARNING:

This product contains, or may contain, trace quantities of a substance(s) known to the state of California to cause cancer and/or reproductive toxicity.

- Leaves vehicles spotless and film free with a glossy wax finish.
- Gives maximum protection for less cost.
- Restores luster to vehicle finishes.
- Easy to use, one step application.

DIRECTIONS

For normally soiled trucks or cars use 3 to 6 ounces per gallon of water. Heavily soiled vehicles may require higher concentration. Hose off car with clear water before washing. Apply solution with a soft cloth or wash mitt. Rub gently as the solution is applied, making sure that all parts of the car are covered. Rinse thoroughly with clear cold water, which will set the wax and produce a high gloss. Use chamois or absorbent cloth to dry off water remaining on the surface.
