**WARNING:**

This product can expose you to Sulfur Dioxide which is known to the State of California to cause birth defects and other reproductive harm. For more information go to [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov).

Float away dirt, grime and road film with **CAR SHAMPOO**. This mild, neutral cleaner has been especially developed for hand car washing operations. A complete range of biodegradable synthetic detergents give this unique cleaner excellent dirt removing abilities and high sudsing properties. These characteristics combine to give **CAR SHAMPOO** long lasting cleaning power and simplifies the removal of road film, dirt, oil, grease and insect residues. It rinses quickly to leave automotive surfaces sparkling clean and bright without a dulling film or annoying streaks.

**DIRECTIONS**

Use 1 to 2 ounces of **CAR SHAMPOO** per gallon of warm water. Place shampoo in container and fill with water using water pressure to mix. This will provide an abundant quantity of suds. For hand washing, wet car thoroughly and always wash car from lower soiled area to the upper area to avoid streaking. Always wash car in a protected or shady area.

**NFPA® Ratings**

Health: 1; Flammability: 0; Reactivity: 0
