Please Recycle.

DE-SCALE RTU

Every once in a while a product comes along that changes forever the way things are done. **DE-SCALE RTU** is such a product. This acid alternative was developed to meet the needs and demands of the market place for safety, without compromising cleaning performance. **DE-SCALE RTU** is a powerful yet safer multi-functional cleaner that combines the high cleaning performance of acids with the mildness of liquid dish soap.

DIRECTIONS:

Spray foam on surface to be cleaned or apply with damp sponge or cloth. Let **DE-SCALE RTU** work before wiping surface clean. Allow **DE-SCALE RTU** to remain on surface a sufficient amount of time depending on the severity of the soil. Heavy deposits may require light scrubbing with a brush. Rinse thoroughly with clean water or wipe with a damp sponge or cloth.

Food contact surfaces must be rinsed with potable water after using **DE-SCALE RTU**. Avoid contamination of food in the use and storage of this product.

PLEASE NOTE: This product may have an adverse effect on certain porcelain, ceramic or antique finishes, terrazzo, and polished metallic finishes. This product should not be used on colored grout, marble or glazed surfaces. If uncertain, test on an inconspicuous area before using.
