DESCRIPTION

This unique combination of ingredients kills germs and cleans hands. It contains an emollient to help moisturize skin, and can be used regularly while keeping hands soft.

Drug Facts

Active ingredient	Purpose
Benzalkonium Chloride 0.12%	Antiseptic

Uses

- For handwashing to help reduce bacteria on skin. ■ After changing diapers.
- After assisting ill persons. ■ Before contact with a person under medical care or treatment. ■ Recommended for repeat use.

Warnings

For external use only.
Do not use in the eyes.
When using this product do not get into eyes. If contact occurs, rinse thoroughly with water.
Stop use and ask a doctor if irritation and redness develop. If condition persists for more than 72 hours consult a doctor.
Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away.

Directions

- Wet hands and forearms. Apply 5 milliliters (teaspoonful) or palmful to hands and forearms. Scrub hands thoroughly. Rinse with water and repeat.

Other information

- Store in a cool, dry place.
