For industrial and commercial use only.

For additional information, see Safety Data Sheet.

⚠ WARNING: This product can expose you to crystalline silica, which is known to the State of California to cause cancer. For more information go to www.P65Warnings.ca.gov.

Use in areas where application of liquid deodorants is impractical or not feasible. **GRANULAR DEODORANT** contains a powerful deodorizer to neutralize and eliminate foul odors as it releases a powerful, clean fragrance. Super absorbent granules soak up many times their weight in excess moisture to prevent the reoccurrence of odor due to bacterial growth. Simple to use, generously sprinkle **GRANULAR DEODORANT** where moisture or odors are a problem. No mixing, no spraying, no mess! The only way to neutralize uncontrollable noxious odors is with **GRANULAR DEODORANT**.

DIRECTIONS: Sprinkle **GRANULAR DEODORANT** wherever offensive odors are to be controlled. Deodorizes as it dries excess moisture in garbage cans, disposal trucks, trash heaps and dumps. Sprinkle over garbage, trash or refuse after each addition is made to receptacle, truck or dump. It is most effective when used immediately after refuse can has been emptied, or after disposal truck has been unloaded. **GRANULAR DEODORANT** effectively absorbs moisture and deodorizes vomitus, pet mistakes and spillage.

INGREDIENTS/CAS#:
