

BOWL / TILE / PORCELAIN CLEANER

A mild all purpose cleaner that combines detergent and wetting agents coupled with a phosphoric acid base. Eliminates rust, lime, organic deposits and offensive odors from wash basins, bathtubs, shower stalls, drinking fountains, glazed tile, porcelain enamel, toilet bowls, and urinals.

Recommended for use in commercial or industrial buildings, hotels, and motels.

DIRECTIONS FOR USE:

TO CLEAN

TOILET BOWLS—Remove water from bowl by forcing over trap with applicator. Remove excess water from applicator by pressing it against side of bowl. Pour 1 oz. on applicator. Clean entire unit, especially under rim at water outlets. Flush and rinse out applicator.

URINALS—Pour 1 oz. onto mop and apply or squirt directly onto surface. Flush and rinse out applicator. A preliminary cleaning is necessary for the removal of gross filth.

TO CLEAN—wash basins, bathtubs, shower stalls, drinking fountains, tile, porcelain enamel, and stainless steel, always dilute with 3 parts water. Do not allow solution to remain on fixtures without immediately thoroughly rinsing with water.

CHEMICAL HAZARD

CONTAINS: Phosphoric acid CAS# 7664-38-2.

Do not use on any surface that can be damaged by acid material. Many surfaces are not resistant to acid.

1102•011214

DANGER: Causes severe skin burns and serious eye damage. May be corrosive to metals.

PRECAUTIONARY STATEMENTS:

Do not breathe mist/vapors/spray. Wash hands, face, and any skin contact thoroughly after handling. Wear protective gloves/protective clothing/eye protection/face protection. Keep only in original container. Absorb spillage to prevent material damage.

FIRST AID:

IF SWALLOWED: Rinse mouth. Do NOT induce vomiting.
