NFPA® RATINGS:

Health: 2; Flammability: 1; Reactivity: 0

INGREDIENTS/CAS #:

Distillates (Petroleum) Hydrotreated Light (64742-47-8);
Alkanes, C14-16 (90622-46-1); Fragrance (Mixture);
Alpha-Isomethyl Ionone (127-51-5); Solvent Green 3 (128-80-3).

Please Recycle.

TRAP O'DOR is an instant Trap "Door" that quickly closes out bad odors emitting up from dried-out drains. It prevents sewer gas odors from drains and in areas where drains have a high tendency to dry out. **TRAP O'DOR** floats on water and other liquids in drains- sealing out the bad odors and sewer gas from the drain while creating a safe barrier between the user and the fluids in the drain. **TRAP O'DOR** will float on the surface acting as a "blanket" to provide continual, long-lasting odor control. The ready-to-use **TRAP O'DOR**, has a refreshing grape fragrance that's pleasing for everyone!

USE IN: Floor and sink drains, shower and tub drains, condensate drains.

GREAT FOR: Manufacturing plants, schools, hospitals, garages, property management, food processing, office buildings, hotels, resorts, RV vehicles, and more!

DIRECTIONS:

Pour **TRAP O'DOR** directly into the floor, sink, or condensate drain making sure to fill the P-Trap with enough product to form an odor-blanket that will not allow bad-smelling vapors to pass upward. **TRAP O'DOR** evaporates very slowly offering extended periods of time before needing to re-treat drains. The time between treatments may vary. Treat drains monthly or as necessary.
