This Product Contains:	CAS#
Distillates (Petroleum) Hydrotreated Light (=	64742-47-8
Alkanes, C14-16	90622-46-1
Solvent Green 3	128-80-3

Great For Use In...

- Floor and Sink drains
- Shower and Tub drains
- Condensate drains
- Manufacturing plants, schools, hospitals
- Food processing, hotels, resorts, RVs

Directions for Use: Pour Trap O'dor directly into the floor, sink, or condensate drain making sure to fill the P-Trap with enough product to form an odor-blanket that will not allow bad-smelling vapors to pass upward. Trap O'dor evaporates very slowly offering extended periods of time before needing to re-treat drains. The time between treatments may vary. Treat drains monthly or as necessary.
