Store in a well-ventilated place. Keep cool. Store locked up.

Dispose of contents/container to comply with local/regional/national/international regulations.

*For industrial and commercial use only.*

*For additional information, see Safety Data Sheet.*

**WARNING:** This product contains, or may contain, trace quantities of a substance(s) known to the state of California to cause cancer and/or reproductive toxicity.

Please Recycle.

Put the power of natural plant extracts to work on your tough cleaning, degreasing and deodorizing problems. **NATRASOLVE** is a unique combination of specially developed hydrocarbon solvents, chosen for their high flash point and low toxicity, and the remarkable solvency you have come to expect from natural citrus by-products. It quickly penetrates and dissolves thick grease deposits without many of the hazards associated with commonly used industrial solvents. **NATRASOLVE** is an incredible cleaning product; its usefulness is not restricted entirely to these applications. This remarkable degreaser will not harm metal, concrete, or most plastics. A light pleasant fragrance reminiscent of newly harvested oranges is ideal for handling tough deodorizing tasks. Routine janitorial tasks are more pleasant and completed with greater efficiency by incorporating this incredible product. Do you have a tough cleaning task? Put a strong degreaser to work with **NATRASOLVE**.

### **DIRECTIONS:**

**GENERAL REMOVAL OF GREASE AND TAR FROM ENGINES, GARAGE FLOORS, CONSTRUCTION EQUIPMENT, TOOLS:** Apply **NATRASOLVE** directly from the container.

Allow to set for 5 to 10 minutes, then rinse with water under pressure. Thick or extremely heavy deposits should be loosened and removed with a putty knife prior to application.

**SEWAGE TREATMENT PLANTS:** To neutralize problem odors and control problem grease accumulations, use **NATRASOLVE** at a rate of 1 to 5 parts per million of untreated waste. To deodorize filter beds, spray a 2% solution daily over beds.

**FOR DEODORIZING:** Use 4 ounces of **NATRASOLVE** diluted in 1 gallon of water for instant deodorizing in refuse trucks, offices, restrooms, or anywhere odor is a problem.
