DESCRIPTION

WYPEOUT Scale & Lime Remover Wipes is an outstanding cleaner for the bathroom or anywhere mineral deposits such as calcium and iron, as well as dirt, soap scum, body oil, rust stains are present. One simple pass of one wipe will eliminate these problems quickly and easily!

WYPEOUT Wipes are loaded with heavy-duty cleaning agents. The gentle cleaning action of each wipe safely removes soils and stains are caused by mildew, mold or algae, oxidation, corrosion, urine salts, light rust, lime, and calcium and iron deposits. These wipes are safe to use for everyday for light and heavy-duty cleaning.

DIRECTIONS

Scrub surface with textured side of towel until stains and deposits disappear. Use smooth side to wipe the surface clean. Discard used towel. Water rinse recommended.

Avoid contamination of food in the use and storage of this product. Surfaces subject to direct food contact must be rinsed with potable water.

Note: This product should not be used on marble. Test on an inconspicuous area before using.

DIRECTIONS FOR DISPENSING

1. Remove lid by lifting upward. Remove foil seal.
2. Pull towel from center of the roll and thread through "X" on the underside of the lid.
3. Close lid. Pull towel at 90° angle.
4. Snap hinged cap back into place to ensure towels stay moist.

DISPOSAL

Offer empty container for recycling. If recycling is not available, discard container in trash. Do not flush wipes.
