Liqui-Gem WASH

Offer empty container for recycling. If recycling is not available, discard container in trash.

For industrial and commercial use only.

For additional information, see Safety Data Sheet.

NFPA® RATINGS:

Health: 0; Flammability: 1; Reactivity: 0

INGREDIENTS/CAS #:

Water (7732-18-5); Cocamidopropyl Hydroxysultaine (68139-30-0); Disodium Phosphate (7558-79-4); Monoethanolamine (141-43-5); Tetrasodium Ethylenediamine Tetraacetate (64-02-8).

APPLICATION DIRECTIONS:

LIQUI-GEM WASH should be used in all damp mop operations. The excellent detergency and slightly alkaline pH combine to create a cleaner that safely removes the dirt that can scratch or abrade finishes without attacking the floor finish.

Under normal cleaning conditions, dilute 1 part of **LIQUI-GEM WASH** in 30 parts of water. Under difficult cleaning conditions, dilute 1 part of **LIQUI-GEM WASH** in 15 to 20 parts of water.

LIQUI-GEM WASH is an excellent cleaning agent on all surfaces, or for use with steam or mechanical cleaning devices in all departments of official establishments operating under the Federal meat, poultry, shell egg grading and egg products inspection programs.

NOTE: Use of **LIQUI-GEM WASH** in edible product processing areas of federally inspected meat and poultry plants require the rinsing of processing surfaces with potable water.

Please Recycle.
