

# HI TEMP RED GREASE AEROSOL

**MULTI-SERVICE NON-MELT LUBRICANT**

**PREVENTS RUST  
PENETRATES AS IT LUBRICATES  
CONTAINS NO FLUORINATED SOLVENTS**

**DANGER:**

Extremely flammable aerosol.  
Contains gas under pressure.  
May explode if heated.

**KEEP OUT OF REACH OF CHILDREN**

**Net Weight:** 15 ounces (425 g)

**HI TEMP RED GREASE AEROSOL** is a USDA authorized multi-purpose lubricant that changes from a penetrating fluid to a strong, long-lasting grease in one to two minutes. The slower cure time allows the lubricant to penetrate into hard-to-reach areas. The cured grease withstands temperatures up to 500°F, high pressure, acids, and moisture. Excellent for use on chains, cables, winches, conveyors, gears, bushings, pins, rollers, tools, hinges and much more.

**DANGER:**

Extremely flammable aerosol. Contains gas under pressure. May explode if heated. Causes skin and eye irritation. Suspected of causing cancer. May cause drowsiness and dizziness. May be fatal if swallowed and enters airways.

**PREVENTION:**

Keep away from heat, sparks, open flames, and hot surfaces. - No smoking. Do not spray on an open flame or other ignition source. Pressurized container: Do not pierce or burn, even after use. Protect from sunlight. Do not expose to temperatures exceeding 50°C/122°F. Store in a well-ventilated place. Wash hands thoroughly after handling. Wear protective gloves. Avoid breathing fumes, vapors, and spray.

**RESPONSE:**

**If on skin:** Wash with plenty of water. If skin irritation occurs: Get medical attention. Take off contaminated clothing and wash before reuse.  
**If in eyes:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical attention.  
**If swallowed:** Immediately call a poison center or doctor. Do NOT induce vomiting.  
**If inhaled:** Remove person to fresh air and keep comfortable for breathing. Call a poison center or doctor if you feel unwell.

Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. If exposed or concerned: Get medical advice or attention. Store locked up. Dispose of contents and container in accordance with local, state, and national regulations.

**INGREDIENTS/CAS#:**

Heptane (142-82-5); Heavy Naphthenic Petroleum Distillate (64742-52-5); Propane/n-Butane (68476-86-8); Tetrachloroethylene (127-18-4); Organophilic Clay (N/A).

**NFPA® RATINGS:**

Health: 2; Flammability: 3; Reactivity: 0

**DIRECTIONS:**

Shake Well Before Using. Remove cap and hold can approximately 6 to 8 inches from surface to be sprayed. Apply a light coat by spraying in quick, short bursts. Work part to distribute **HI TEMP RED GREASE AEROSOL** evenly over the entire surface. For hard-to-reach areas, insert the red extender tube into the tip. Spray as necessary to insure complete coverage. Temperatures over 375°F may require periodic reapplication.

**WARNING:** This product contains a chemical(s) known to the State of California to cause cancer.
