

Whoa, Nellie!

Precision Brake Cleaner/ Degreaser

- **Quickly and easily removes brake fluid, grease & oil**
- **Degreases instantly**
- **Dries fast, leaves no residue**
- **Non-chlorinated**
- **Low VOC Formula**

See back panel for additional precautions.

NET WEIGHT: 12 OZ (340 g)

WHOA, NELLIE! is a fast-acting cleaner and degreaser that dissolves and flushes away brake fluid, oil, grease, and dirt. It degreases brakes, brake pads, clutch and engine parts, and is also excellent for degreasing machine parts, tools and all types of equipment.

WHOA, NELLIE! is suitable for cleaning and degreasing brake disk rotors, brake calipers, sliding pins, hub & bearing assemblies, wheel cylinders and brake drums prior to assembly and servicing.

DANGER:

Extremely flammable aerosol. Contains gas under pressure; may explode if heated. Causes serious eye irritation. Suspected of damaging fertility or the unborn child. May cause respiratory irritation. May cause drowsiness or dizziness. May cause damage to organs through prolonged or repeated exposure.

Read label before use. If medical advice is needed, have product container or label at hand.

PREVENTION:

Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. Wear protective gloves. Wear eye or face protection. Wear protective clothing. Keep away from heat, hot surfaces, sparks, open flames and other ignition sources. No smoking. Do not spray on an open flame or other ignition source. Use only outdoors or in a well-ventilated area. Do not breathe dust or mist. Wash thoroughly after handling. Pressurized container: Do not pierce or burn, even after use.

RESPONSE:

IF EXPOSED OR CONCERNED: Get medical advice/attention. Call a doctor or a POISON CENTER if you feel unwell.

IF INHALED: Remove person to fresh air and keep comfortable for breathing.

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing.

IF EYE IRRITATION PERSISTS: Get medical advice/attention.

STORAGE AND DISPOSAL:

Store locked up. Protect from sunlight. Keep container tightly closed. Do not expose to temperatures exceeding 50°C/122°F. Store in a well-ventilated place. Keep upright in a cool, dry place. Dispose of contents and container in accordance with all local, regional, national and international regulations. Do not discard empty can in trash compactor.

DELAYED EFFECTS FROM LONG TERM OVEREXPOSURE. Contains solvents which can cause permanent brain and nervous system damage. Intentional misuse by deliberately concentrating and inhaling the contents can be harmful or fatal. Percentage of the mixture consisting of ingredient(s) of unknown acute toxicity: Oral: 9.7%, Dermal: 15.3%, Inhalation: 14%.

INGREDIENTS/CAS #

Acetone (67-64-1); Carbon Dioxide (124-38-9); Toluene (108-88-3); Light Aliphatic Hydrocarbon Solvent (64742-49-0); Light Aliphatic Hydrocarbon Solvent (68410-97-9); Lt. Aliphatic Hydrocarbon Solvent (64742-89-8); Heptane (142-82-5); Cyclohexane (110-82-7); Formaldehyde (50-00-0).

KEEP OUT OF REACH OF CHILDREN

Refer to SDS for further information.

DIRECTIONS

Use in well-ventilated area. Wet down brake surfaces by spraying in short bursts at a distance of roughly 18 to 24 inches. After all surfaces are wet, continue spraying to remove contaminants. Use a wire brush to clean/degrease the caliper housing and backing plate to remove all dirt and dust. Let the parts air dry or wipe down with a clean rag. Use on rotors, hub and rotor contact points, on the caliper assemblies, brake linings, cylinders, drums, CV joints, clutches, springs, bolts, fasteners and all brake hardware.

WARNING

! This product can expose you to chemicals including formaldehyde, which is known to the State of California to cause cancer, and toluene, which is known to the State of California to cause birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov.
