See back panel for additional precautionary statements

NET WT. 6 OZ. (170 GRAMS)

PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS AND DOMESTIC ANIMALS WARNING

Causes substantial but temporary eye injury. Harmful if swallowed. Do not get in eyes. Use of this product may cause skin reactions in rare cases. Wash treated clothing before wearing it again. Wash hands before eating, drinking, chewing gum, using tobacco or using the toilet.

PHYSICAL OR CHEMICAL HAZARDS:

FLAMMABLE. Contents under pressure. Keep away from heat, sparks and open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting.

DIRECTIONS FOR USE:

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

READ AND FOLLOW ALL DIRECTIONS AND PRECAUTIONS ON THIS PRODUCT LABEL.

For Outdoor Use Only. Do not spray in enclosed areas. Never use repellents over cuts, wounds, sunburned or irritated skin. Do not apply near eyes and mouth, and apply sparingly around ears. Do not allow children to handle this product, and do not apply to children's hands. When using on children, apply to your own hands and then put it on the child. Apply only to exposed skin and/or clothing (as directed on the product label). Do not use under clothing. Use just enough repellent to cover exposed skin. Heavy application and saturation is unnecessary for effectiveness; if biting insects do not respond to a thin film of repellent, apply a bit more. After returning indoors, wash treated skin with soap and water or bathe. This is particularly important when repellents are used repeatedly in a day or on consecutive days. Also, wash treated clothing before wearing it again. **Use of this product may cause skin reactions in rare cases. If you suspect a reaction to this product, discontinue use, wash treated skin, and call your local poison control center. If you go to a doctor, take this product with you.**

For application to exposed skin to repel mosquitoes, biting flies, gnats, and fleas: Hold unit 4-6 inches from the skin of arms or legs while applying with a slow sweeping motion, until surface is slightly moistened. Rub with hand to insure an even distribution. To apply to face and neck, spray in palm of hand in short bursts and spread on the skin sparingly avoiding eyes.

For application to outer surfaces of clothing to repel mosquitoes, biting flies, chiggers, fleas, and ticks: Spray outer surfaces of clothing, especially socks, shoe tops, pant legs, and waistband.

Do not apply to synthetic fabrics such as acetate, rayon or spandex. May damage furniture finishes, leather, plastics, painted and varnished surfaces including watch crystals, and automobiles.

STORAGE AND DISPOSAL Do Not Puncture Or Incinerate!

PESTICIDE STORAGE: Store in a cool dry place away from heat or open flame in an area that is inaccessible to children. **PESTICIDE DISPOSAL:** Non-refillable container. Do not reuse or refill this container. Offer for recycling if available. If **Partly Filled:** Call your local solid waste agency or 1-800-CLEANUP for disposal instructions.
