

CLUTCH

ALL-SEASON EQUIPMENT WAX

Seasonal surface repellent wax that provides a non-stick, slick coating that protects metal, painted and plastic finishes, fiberglass and many other surfaces on your equipment

SPRING & SUMMER

- Keeps grass clippings from sticking to mowers, trimmers, weed eaters, rototillers, tractors, and more.
- Prevents corrosion from moisture, salt spray, fertilizers and moisture.
- Reduces stress on equipment motors, belts, and moving parts.
- Blades stay sharper longer.
- Equipment cleans up quickly & easily.

WINTER & FALL

- Helps prevent corrosion from salt and water on equipment surfaces.
- Keeps snow, slush & ice from sticking and building up on surfaces.
- Works in cold temperatures.
- Plows, shovels, trailers, road signs, railings, snow blowers, snow mobiles, ski equipment, and more!

DANGER

**EXTREMELY FLAMMABLE AEROSOL,
CONTAINS GAS UNDER PRESSURE; MAY
EXPLODE IF HEATED.**

KEEP OUT OF REACH OF CHILDREN

See back panel for further cautions
and first aid instructions.

NET WT: 11 OZ. (312g)

CLUTCH All Season Equipment Wax is specially formulated to keep snow, slush and ice from sticking to snow removal equipment, plows, snowmobiles, snowblowers, ski equipment, snow shovels and more. Can also be used on the underside of lawn mowers, weed eaters, hedge trimmers, rototillers and other lawn maintenance equipment to prevent grass clipping and dirt build-up, clogging and wear-and-tear. Helps blades stay sharper longer, making equipment last longer. Creates a barrier to protect metal, fiber-glass, plastic and painted surfaces from build-up and damage.

DANGER:

Extremely flammable aerosol. Contains gas under pressure; may explode if heated. Causes skin irritation. Suspected of damaging fertility of the unborn child. May cause drowsiness or dizziness. May cause damage to the central and peripheral nervous systems, brain, lungs kidneys and reproductive system through prolonged or repeated exposure. May be fatal if swallowed and enters airways. May cause an allergic skin reaction. Keep away from heat, sparks, open flames and hot surfaces. -No smoking. Do not spray on an open flame or other ignition source. Pressurized container: Do not pierce or burn, even after use. Protect from sunlight. Do not expose to temperatures exceeding 50°C/122°F. Store in a well-ventilated place. Wash face, hands and any exposed skin thoroughly after handling. Wear protective gloves, protective clothing and eye or face protection.

DIRECTIONS:

Shake well before using. Spray equipment and allow to dry. Equipment can be used immediately after drying. After use, invert can and spray a short burst to clear valve.

FIRST AID PROCEDURES:

IF ON SKIN: Wash with plenty of water.

If skin irritation or rash occurs: Get medical advice or attention. Take off contaminated clothing and wash it before reuse. Contaminated work clothing must not be allowed out of the workplace. Obtain special instructions before use. Do not handle until all safety precautions have been read and understood.

If exposed or concerned: Get medical advice or attention.

Do not breathe fumes, mist, vapors or spray. Use only outdoors or in a well-ventilated area.

IF INHALED: Remove person to fresh air and keep comfortable for breathing. Call a poison center or doctor if you feel unwell.

IF SWALLOWED: Immediately call a poison center or a doctor.

Do NOT induce vomiting. Store locked up. Dispose of contents/ container in accordance with local/regional/national guidelines.
